01

Your runway goes further

Office space, salaries and day-to-day costs run lower than in the big metros. The same budget funds a bigger team.

02

Hire people who want to come home

Many professionals from Pondicherry and nearby Tamil Nadu work in Chennai, Bengaluru and beyond. A Pondicherry office lets you hire them back home.

03

A steady pipeline of graduates

Pondicherry University, Puducherry Technological University and many engineering, arts and management colleges in and around the region.

04

Shorter commutes, better days

A compact city means less time in traffic and more focused hours at work. Your team will notice.

05

Close to Chennai

About three hours by road from Chennai and its international airport — easy for client visits and leadership travel.
