CHECKLIST

7 things to check before you choose a workspace for your team.

Save this before your next site visit.

pulsebay

01

The full monthly cost

Ask for the all-in number: seat price, GST, deposit, and anything billed extra like parking, meeting rooms or printing.

02

Commitment and notice period

How long is the minimum term? How much notice to exit or reduce seats? Flexible terms protect you when plans change.

03

Power and internet backup

A power cut or a dropped line stops a whole team. Check for power backup and a second internet line that takes over automatically.

pulsebay

04

Room to grow

Can you add seats, move to a cabin or take a custom floor in the same building as your team grows?

pulsebay

05

Meeting rooms when you need them

Client calls, interviews and reviews need a closed room. Check how many there are and how booking works.

pulsebay

06

Security and access

CCTV, access-controlled entry and security staff keep your people, equipment and data safe.

pulsebay

07

Registration support

If you're setting up a company or GST registration in Pondicherry, check that the workspace supports it as your registered address.
